

WELCOME Dr. Evgeny Shkolnik to Gaylord's Consultant Team

Dr. Shkolnik will be covering for cardiology consults while our primary cardiologist, Dr. Fotjadhi, is away.

The New Rutledge Family Garden is Open!

On Tuesday, August 22, Gaylord welcomed friends, donors and community leaders for a ribbon cutting to officially open the new space. The 5,700 square-foot garden was fully remodeled thanks to a generous gift from the Rutledge Family Foundation and additional support from The Timken Foundation of Canton, OH. Complete with an ADA-grade ramp and sets of stairs in both four and six inch rise, the garden was designed with therapeutic elements in mind. The Rutledge Family Garden, located outside the inpatient gym, is open for all patients, families and staff to enjoy.

FYI DEADLINE

The deadline for the next FYI is Friday, September 1.

Email: publicrelations@gaylord.org

Our mission is to enhance health, maximize function and transform lives.

Bartlem Beats Concert Series

The Cheshire Parks and Recreation recently held their annual Bartlem Beats Concert Series. Gaylord was proud to be a major sponsor of this event, which featured many local musicians, including the Heavy Hitters, Dizzyfish, and Last Licks, to name a few. The event is held every summer at Bartlem Park in Cheshire and is free to local residents. For more information on this annual event and other programs, please visit https://www.cheshirect.org/government/departments_and_divisions/recreation

Master's Manna Collection Drive

The food collection drive for Master's Manna of Wallingford was a great success! The Wallingford, Cheshire, and North Haven sites collaborated to collect about 250 pounds of non-perishable food. These items will help local families in need. The Community Relations Committee would like to thank all Gaylord staff and patients who helped make this event successful. If you're interested in making any additional donations to Master's Manna, or for more information, please visit their website at <https://www.mastersmanna.org/>

2023 ANNUAL POLICY SUMMIT BUILDING AN EQUITABLE ECONOMY

The Greater New Haven Chamber of Commerce will hold its Annual Policy Summit on September 14 at Hotel Marcel in New Haven. The summit will feature conversations where the audience will hear experts share their experiences and ideas on how we can help build an equitable economy and create a model for the state to follow. If you're interested in attending this event, the member admission fee is \$65. A reception will follow with food and drinks. If you're interested in attending, please [register here](#).

Jeans for Charity: Friday, September 1

The featured organization is

Crohn's & Colitis Foundation

They are a nonprofit, volunteer-fueled organization dedicated to finding cures for Crohn's

disease and ulcerative colitis, and improving the quality of life of children and adults affected by these diseases.

Since their founding in 1967, the Foundation has played a role in every major breakthrough in IBD research. They have invested more than \$400 million into finding the causes, treatments, and cures for Crohn's disease and ulcerative colitis. According to their website, "we won't stop until we realize our vision of a future free from Crohn's and colitis."

For more information, [click here](#).

Attention FYI Readers:

If you would like to submit an article, promote an event, etc., in FYI, please email:
publicrelations@gaylord.org
with your details.

Thank you!

Employees need a Jeans for Charity sticker or button to indicate their participation.

Stickers can be purchased for \$2 in the cafeteria, Jackson Java, Human Resources, Jackson 2 outpatient, North Haven, Cheshire, Cromwell and Madison.

Welcome Socheata Morley, PhD

Dr. Socheata Morley is the newly hired Research Coordinator at the Milne Institute for Healthcare Innovation Center for Research and Innovation. She will be working with the clinical investigators at Gaylord to design research studies, monitor clinical trials, collect data, create poster presentations, and prepare manuscripts for publication. She is already involved in several of Gaylord's clinical studies focused on advancing science and improving patients' clinical outcomes.

Before joining us, Socheata completed her PhD in Biomedical Science at University of Connecticut at UCONN Health in Farmington, CT. There, she studied the structure and dynamics of the E. coli DNA sliding clamp and sliding clamp loader complex for new antibiotic drug development. In her spare time, she loves hanging with her friends, traveling, going to the beach, playing tennis, and practicing music.
